The image features a large green leaf with a central vein. On the leaf, there are several math problems involving flowers. At the top, the text "6 СКІЛЬКИ? ВІДЦВІЛО 2" is written in white and yellow. Below this, there are two rows of flowers: five orange tulips and four red tulips. To the right of the orange tulips is the equation "5 + 5 = 7". Below the red tulips, there are four white flowers with yellow centers, followed by the equation "2 + 2 + 2 + 2 + 2 = ?". At the bottom of the leaf, there are five purple crocuses, followed by the equation "5 + 5 = ?". Below the leaf, there are five yellow daisies, followed by the equation "РОЗКВІТЛО" and "5 - ? = 5".
